STATEMENT FROM THE MAYOR'S OFFICE

JACKSONVILLE, Florida, May 2, 2025 — The Mayor's Office has issued the following statement:

"The policy in question was created and written before Mayor Deegan took office. In light of the issue that has been raised, we are undergoing a review of all policy directives, particularly those from the previous administration that were left for us on their way out. Mayor Deegan and the leadership of her administration fully support constitutionally protected rights.

As we stated yesterday, the City of Jacksonville has received and complied with a subpoena from the State Attorney's Office. Out of respect and in full cooperation with their review, we do not have further comment at this time."
