

THE FLORIDA SENATE
SENATOR BEN ALBRITTON
President

MEMORANDUM

TO: All Senators
FROM: Ben Albritton
SUBJECT: Joint Allocations and Budget Update
DATE: April 23, 2026

I am pleased to announce we have reached an agreement on joint allocations. In the coming days, Speaker Perez and I will release a joint proclamation for a special session on the budget beginning Tuesday, May 12, and concluding on Friday, May 29.

Conference committees will be authorized to meet from Tuesday, May 12 through Friday, May 15, at which point unresolved issues will bump and Senators can return to their districts. Senators should plan to return to Tallahassee the week after Memorial Day to vote on the conference report.

Appointments to conference committees are attached and are the same as those made during the regular session. Senator Nathan is appointed to the Conference Committees on Agriculture, Environment, and General Government/Agriculture & Natural Resources, Agriculture, Environment, and General Government/State Administration, and Pre-K-12 Education/PreK-12.

Joint allocations are attached for your reference. As with the budget passed off the Senate Floor, our final budget will be lower than Florida's state budget for the current fiscal year, facilitating long-term financial stability and continuing our focus on keeping taxes low, paying down debt and saving for the future.

Please travel safely, and I look forward to seeing everyone next week.
